

Will a Bidet Seat Fit My Toilet?

Instructions: Locate the Bidet Seat Model, and go down that side of the fitting chart.

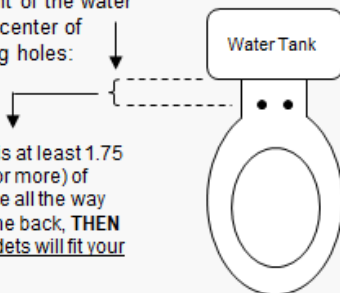

For these Bidet Seats:

- Bio Bidet 2000 / 1700 / 1000 / 800 / 600 / A8 / A7
- Kohler Novita BH 90, BH 93
- TOTO S550e / S500e / K300 / C200
- USPA 6800

Measuring the Rear

Measure the distance from front of the water tank, to center of mounting holes:

IF there is at least 1.75 inches (or more) of clearance all the way across the back, **THEN** these bidets will fit your toilet.

Note: If there is less than 1.75 inches, then please choose a bidet from the right hand side of this fitting chart.

Measuring the Front – Round or Elongated Bowl

Most of our bidet seats come in two sizes:
Round or Elongated

Round Size:
17 inches
or less

Elongated:
17.5 inches
or more

For these Bidet Seats:

- Blooming NB-R1063
- Brondell Swash 1400 / 1200 / 1000 / SE600
- Kohler Novita BN 330

Measuring the Rear is Not Necessary

The bidet seats above are designed to fit 98% of toilets. Go ahead and order – there's a 98% chance it will fit your toilet.

Toilets With Known Fitting Issues:

- Kohler San Raphael K-3466, K-3467*
- Kohler Rialto K-3386*
- Porcher Veneto 9712X

If there is a fitting issue with your toilet, please call us. We'll add it to this list, and help you resolve.

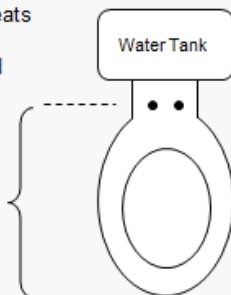

*Note: Only Blooming NB-R1063 will fit Kohler San Raphael and Kohler Rialto
